

CODE OF CONDUCT FOR ST PETERS CE PRIMARY SCHOOL, HARBORNE FULL GOVERNING BODY

Standard of Conduct, Behaviour & Practice

Governors make an invaluable contribution to the lives of our children. Being a Governor involves significant amounts of time and energy. Therefore, as individual Governors of St Peters CE Primary School we will play our part in setting an ethos of professionalism and high expectations of the Governor role.

We will:

1. Conduct the Governing Board's business in compliance with governance legislation:

We will fulfil our duties in line with the [Governance Handbook/Academy Trust Handbook](#), other relevant Department for Education (DfE) guidance and have due regard for best practice.

In addition, Governors should comply with the DfE [Competency Framework for Governance](#) which expects all those involved in governance to be committed, confident, curious, challenging, collaborative, critical and creative.

2. Abide by the Seven Principles of Public Life:

The [Seven Principles of Public Life](#) outline the ethical standards those working in the public sector are expected to adhere to:

i) Selflessness

Holders of public office should act solely in terms of the public interest.

ii) Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

iii) Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias

iv) Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

v) Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

vi) Honesty

Holders of public office should be truthful

vii) Leadership

Holders of public office should exhibit these principles in their own behaviour and treat others with respect. They should actively promote and robustly support the principles and challenge poor behaviour wherever it occurs.

3. Remain focused on our three core strategic functions of:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the Head Teacher to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent.

4. Support the elimination of discrimination and advance equality of opportunity:

We recognise that Birmingham is one of the UK's super-diverse cities, made up of wide range of cultural, faith and other communities. The City benefits from positive community cohesion within this diversity.

We share the [equality objectives of BCC](#) and are mindful of our responsibilities under equality legislation, including recognising and encouraging diversity and inclusion.

5. Ensure that the school has in place and follows the relevant policies and procedures to ensure that children and young people in our setting are effectively safeguarded:

We will carry out our functions with a view to safeguarding and promoting the welfare of children, have regard to statutory guidance, ensure that we read and follow [Keeping Children Safe in Education](#), undertake training and ensure this is regularly updated.

6. Attend meetings and fully participate in the work of the Governing Board:

We will make every effort to attend all meetings and send apologies for our absence if we cannot attend.

We will get to know the school well and respond to opportunities to involve ourselves in school activities.

7. Demonstrate a professional attitude:

We will attend meetings regularly, being punctual and reading all relevant paperwork in advance.

We will arrive at meetings and visits prepared to make an informed and positive contribution.

We will observe meeting protocols, including those agreed by the Governing Board where meetings are held virtually.

8. Work as members of a team and promote effective working relationships:

We will seek to develop effective working relationships and engage with our Governor colleagues, the Head Teacher (and/or Executive Leader as appropriate), staff, parents/carers, BCC, other relevant agencies and the community.

We will always be mindful of our responsibilities to maintain and develop the ethos and reputation of the school. Our actions within the school and the local community will reflect this.

In making or responding to criticism or complaints affecting the school, we will follow the procedures established by the Governing Board.

We will ensure that we will only speak or act on behalf of the whole Governing Board and we have been given authority to do so.

Where we hold alternative roles within the school (ie: parent, carer, other voluntary role, staff member), we will ensure a delineation of roles and continue uphold our commitment to the Board's Code of Conduct.

9. Express views, courteously and be respectful in all communications, both verbal and written:

This includes being mindful of upholding the school's reputation when communicating in a private capacity and avoiding, as far as possible, becoming involved in any communication which may lead to a conflict of interest with the role as a Governor.

We will ensure we use social media responsibly and will not submit postings on networking sites which may bring the school or Governing Board into disrepute. We will abide by the school's Acceptable Use Policy (if applicable).

10. Respect lines of demarcation and the role of the Head Teacher to manage the school:

As Governors we accept that our role is strategic and focused on the three core functions referred to in point 3) of this code.

We will not involve ourselves in the day-to-day operational management of the school or attempt to micro-manage senior leaders.

Any visits that we undertake at the school will be arranged in advance with relevant staff, be agreed by the Head Teacher and be within the framework established by the Governing Board.

11. Acknowledge majority decisions, except those that conflict with the Seven Principles of Public Life, the Governing Board core functions or may fail to ensure the safety of pupils:

We will confront the malpractice by speaking up against and bringing to the attention of the relevant authorities any decisions and actions that conflict with the Seven Principles of Public Life or which may place pupils at risk.

12. Respect the duty of confidentiality to the school:

We will maintain complete confidentiality particularly when matters are deemed confidential or where they concern individual staff, pupils and families.

We understand that approved minutes are the formal record of meetings.

We will ensure that the Governing Board complies with the General Data Protection Regulation and the Data Protection Act 2018.

Should we leave the Governing Board we will continue to uphold the Board's confidentiality and ensure that paperwork relating to the school or Governing Board is returned or disposed of appropriately.

13. Abide by legislation (where applicable) and best practice in respect of Governor recruitment and the appointment of Governors to key roles:

Where a prospective Governor has been or is already a Governor of another school, the Chair should speak to the Chair of the other Governing Board to discuss both the skills of the individual and, where appropriate, their capacity to commit sufficient time to serve effectively on another Governing Board.

BCC expects Governing Board to monitor and account for the circumstances within which it is genuinely appropriate for any individual to be a Governor of more than one school, and give careful consideration as to whether it is in the interests of their school(s) to re-appoint Governors and office holders for successive terms.

The advice of the National Governance Association (NGA) is that all Governors should be restricted to two terms of office (eight years) at the same school and that the Chair should hold office for no more than six years at the same school.
