

A vibrant collage background featuring a central sign that reads "WELCOME to YEAR 4!". The sign is tilted and has a dark blue background with white and yellow text. It is surrounded by various school-related items, including a clipboard with a checklist, pencils, starburst decorations, and other colorful geometric shapes. Our School Day

Classroom doors will be open from 8:55am and the school day will end at 3:25pm.

Please let a member of staff know if a different known adult is collecting your child.

If you arrive after 9am, please drop your child off at the office.

Emotional Wellbeing

In every classroom, there is a Regulation Board which promotes positive behaviour and emotional self-regulation.

In Year 4, we have a shared space for children to access if or when they need to self-regulate. This is closely monitored by staff.

The school also has a 'sensory room' designed around aspace theme. KS2 pupils can access this with staff supervision when appropriate.
