Activities we often participate in:

ACUK aim to create residential programmes that will achieve the following outcomes for students:

- To have fun
 - To learn new skills
 - To become more motivated as individual
 - To take part in new and enriching experiences
 - To discover more about themselves and their capabilities
 - To learn to support and value others & celebrate their successes as well as their own.
-
- The residential offers students the opportunity to stretch themselves as individuals, bond as a team and grow in friendship as they work together, eat together and relax together, fostering a sense of pride both in themselves and in their school community.

Staffing and Supervision

- 6-7 adults will go.
- All medical needs will be well monitored – please complete the medical form. All medicines will be agreed before or on the day including things like creams etc.
