

Booking Meals on Arbor Parent Portal

Please note that once the deadline your school has set passes, you can see, but no longer edit your meal choices - please contact your school if you'd like to change your choice.

On the Parent Portal

1. From the main Parent Portal page, click Quick Actions and select Meals.

You'll be taken to the Meal Choices page, where you will be presented with a list of Meals that have available menus to choose from. You can see past meals by using the Academic Year drop-down menu.

2. Click on a meal.

You can then see the Meal Choices page:

3. You can see your child's meal account balance at the top - if this balance is negative it will be highlighted in red.
4. You can top up the balance via card payment using the Top up account button.

On the page you can see all future dates you can select a meal for:

- Deadline passed - the deadline your school has set to make a meal choice has passed and cannot be edited by you. Your child's teacher can amend their choice while taking the register, or you can contact your school if you'd like to change what meal your child is going to have.

- School holiday - no choices available. Your school has set this day as a non-school day. Please contact your school (please do not contact Arbor) if this is incorrect.
- No choices made - click to select the meal your child will have.
- Meal Choice - you've set a meal choice already, but you can click it to change your choice.
